

May 2021

Dear Friend of the Kent County Fair:

The 2021 Kent County Fair dates have been set for July 15-17, 2021. Once again we are inviting commercial, public service and educational exhibitors to participate in the fair. There is a \$75 fee for exhibitors unless they are a non-profit organization.

Exhibitors and vendors will be placed around the fairgrounds, with location preference given to previous vendors. Please be prepared to be in place no later than noon on Thursday, July 15th. You may set up any time on Wednesday, July 14th or Thursday morning. Please plan on staying through Saturday, July 17th. The fairgrounds will be open on Sunday for removal. If you need a time outside of those provided for set up or removal, please contact me.

Food vendors, please be aware that you are responsible for complying with all Health Department regulations and for securing any required permits. The Health Department can be reached at 410-778-1350. **Please provide a copy of your Health Department certificate by July 1st. In addition, if you are a food vendor, you must provide us with proof of liability insurance no later than July 1st, or you will not be permitted to set up your booth.** You or your agent should send this to me at the above address.

If you would like to participate in the 2021 Kent County Fair, please complete the enclosed application and forward to me along with payment no later than **June 15, 2021**.

Please note the Fair will not be providing vendors with fair passes. All vendors are asked to pay the \$3 daily entry fee.

When completing the attached form, please be sure to include your email address to receive confirmation of participation. Checks should be made payable to the Kent Ag Center.

If you have any questions, I can be reached at 443-534-7518 or bjones7579@msn.com. Thank you and we look forward to seeing you at the 2021 Kent County Fair.

Sincerely,

Barbara Jones
Commercial Exhibits Chair
